Dear Shoppers:

Happy Thanksgiving! Here we have a special day to be thankful, to count all our blessings and be grateful to be alive in this big wide wonderful world. If we all threw our troubles in one big hat and had a chance to choose we would be happy to have our own back and then could know how to be truly thankful for what we have. So here's wishing a happy day to you and yours.

STUDENT COUNCIL FORMED

A student council was formed recently at Walteria School by electing a representative and alternate from each classroom. Student officers were elected as follows:
President: Dion Schoonover; Vice-president: Janice Templin; Secretary: Susan Swank; Treasurer: Steven Hamilton.
James Hamilton and Dale Wikstrom will serve as teacher counselors. Mrs. Erdmann's 8th grade class is making a tentative constitution for the student council as a class project. Future student council meetings will be held at least once a month.

It is expected that this self-governing venture will prove very effective. It has tremendous value in its educational functioning and the experience gained by the children personally is priceless, it was stated.

Offers Kids Liquor, Gets Jail Term

A 23-year-old youth was given a 180-day sentence this week, one day suspended, for contributing to the delinquency of minors.

Floyd was with a party of two fellows and three girls. The group were parked in a car at Torrance Beach. None of the girls, who were 14 years old, had taken any liquor but the 16 and 17-year old boys had indulged.

Chief of Police John Stroh issued a warning that adults contributing to the delinquency

Tartar Band

The Tartar Band has been giving some colorful performances at the various school games lately. A spirit of ghosts and goblins fell over the crowd at the Beverly Hills game as a

huge skull, complete with a moving jaw was formed, while the band played "Dry Bones." "Dum-De-Dum-Dum" has been given some pretty authentic and spine-tingling renditions. Every time the band plays it, Sgt. Joe Friday seems just around the corner.
